932 STE

A colourful and descriptive look at how mummies were made, why robbers raided their tombs and much more. See inside a secret tomb and meet the mummies of Egypt face to face. An attractive, interesting book with lots of information and intricately detailed colourful illustrations. Middle to upper primary.

### **MY FIRST AMAZING HISTORY EXPLORER**

CD ROM

909 MY

Finding out about history has never been so much fun. Ages 6-10.

### **MY HIROSHIMA**

Morimoto, J.

952.1954 MOR

This story painfully recounts through graphic watercolour and ink drawings, colour and black and white photographs and text the horror of the Hiroshima nuclear bomb attack during World War II. Simply told from a Japanese child's point of view in language that younger readers will understand, the theme of the war is explored and the devastating effects of the atomic bomb blast are portrayed. Middle/upper primary.

### **NATIONAL ESTATE FOR PRIMARY SCHOOLS**

Australian Heritage Commission

363.690994 NAT

A teaching resource on Australia's historic, Aboriginal and natural heritage places. Kit includes teacher's guide, work sheets, posters, etc. Middle/upper primary.

### **THE NORTH**

994.29 DUG

### **MAPPING THE COASTLINE**

994.01 DUG

### **THE WEST**

994.1 DUG

Dugan, M.

These three books provide an interesting and informative introduction to the well known, and some less well known, explorers of Australia and the challenges and dangers they faced. Well illustrated with colour photographs, clear maps and diagrams and black and white prints, they also include extracts from explorers' journals. Upper primary.

### **PIONEERING IN THE MANJIMUP DISTRICT**

994.1 PIO

3 posters, plus students' information/worksheets from the Manjimup Timber Museum. The posters display old photos depicting typical scenes of the early part of the century. The worksheets provide information on equipment used in the timber industry at that time, together with a quiz for junior primary students.

### **PIONEERING IN WESTERN AUSTRALIA**

Biggs, H.

994.1 PIO

The life of early pioneers, the difficulties they faced and their life style, is vividly portrayed in this book which is liberally illustrated with interesting photographs and drawings. The final section contains stories of pioneers from around the State and includes a chapter on the North West featuring Emma and John Withnell. Upper primary.

### **SCHOOL DAYS**

Macdonald, F.

370.9 MAC

What school days were like for our parents, grandparents and great grandparents and the similarities and differences to today. An attractively laid out book with easily accessible text and colour, monochrome and sepia toned photographs that effectively convey what life was like in the early 1900's and what it is like now. Lower primary/middle primary.

### **SEA-GOING ADVENTURERS**

Bruce, J. 910.45 BRU  
 Stories of exciting and dangerous sea voyages from ancient times to the modern day - from the Phoenicians to the Vikings to Thor Heyerdahl to Kay Cottee, with many others in between.  
 Middle/upper primary.

**THE SOMME**

Laffin, J. 940.4272 LAF  
 The story of one of the most terrible battlefields in history. This book details the two battles of the Somme, July-November 1916 and March-August 1918. It includes faithful illustrations, original photographs, eyewitness accounts and describes what life was like for the average 'Digger' in the trenches.

**TEACHERS AND STUDENTS AND SCHOOLS : A CELEBRATION OF EDUCATION IN WESTERN AUSTRALIA**

Rubinich, T. 370.9941 RUB  
 A pictorial history of education in Western Australia. The book is divided into 52 weeks and each double page is made up of seven entries and an historic photograph. Each day contains an exact education event that occurred on that day sometime in the past. Together with the photographs, the year contains not only all the major events that have shaped education in the State, but also extracts and incidents that reflect the spirit of the pioneer educators and their pupils.

**THIS LIVING CENTURY**

The Australian 909.820992 THI  
 The life and achievements of notable Australians of the 20<sup>th</sup> century (CD ROM).

**TO THE GOLDFIELDS**

Tonkin, R. F TON  
 A fictional account of daily life in the goldfields seen through the eyes of a young girl. Although fictional, the details are based on descriptions and incidents taken from diaries and letters of people who travelled to the goldfields during the goldrush and the story includes a reproduction the Age newspaper's account of the Eureka Stockade. A fascinating story full of interesting details and beautifully illustrated. Middle/upper primary.

**THROUGH DUSTY EYES**

Banks, J. 373.941 THR  
 Port Hedland Primary School played an integral part in the changes and development of the community of Port Hedland, spanning as it did 91 years of the town's history from 1906 until its closure in 1997. Its fascinating history is recounted in this book using research, documentary evidence and oral histories and is accompanied by many original photographs.

**TIMELINE**

994 HAR  
 The history of Australia and the world unfolds in an incredible 12 metre frieze.

**TITANIC FILE**

National Geographic 910.45 TIT  
 A resource file on the Titanic, collected from material in a number of National Geographic magazines. It includes several articles and two friezes.

**THE TREES THAT WENT TO SEA**

Lefroy, M. 623.8203  
 This picture book with text in English, Dutch and Indonesian tells the story of the voyage to Australia of the Dufyken in 1606, and the building of the replica of that ship and the re-enactment of that voyage. The Centre also has posters of the replica under construction and the completed ship under sail.

**VALLEY OF THE KINGS**

Alcraft, R. 932.01 ALC

A guided tour of the Valley of the Kings and the secrets it reveals about the life and times of the ancient Egyptians. The book features excellent photography, highlighted words that can be found in the glossary and a wealth of interesting information about the discovery of the tombs as well as about the tomb builders. Upper primary – lower secondary.

**VOICES FOR DEMOCRACY**

National Archives of Australia

321.89915 FLE

A resource kit that focuses on the lives of four people: John Curtin, Vida Goldstein, Jesse Street and Paul Hasluck. It uses the four to consider the topics of leadership, individual rights and the national interest, the struggle for women's rights, and education for democracy. The kit includes a teacher's guide plus four parts, each dealing with a different person and a different issue. Each part includes a set of documents from the National archives, background information, contemporary perspectives, class exercises using the documents and additional source materials. Lower secondary.

**VOICES FROM A WAR**

940.5394 VOI

An interactive cd-rom which enables the investigation of four major experiences of Australians at war during World War Two. The stories are told using historical footage, interviews, photographs, paintings, objects, letters, diaries and original archival material.

**THE VOYAGES OF CHRISTOPHER COLUMBUS**

Humble, R.

910.9 COL

The story of the voyages of Christopher Columbus, plus historical background information, and diagrams and details of his ships. The book also includes a glossary and a time chart. Upper primary.

**WHAT DO WE KNOW ABOUT THE AZTECS?**

Defrates, J.

972.10 DEF

Colourful illustrations, diagrams and photographs accompany a wealth of information on the everyday life of the Aztecs. Upper primary – lower secondary.

**WHEN GRANDMA AND GRANDPA WERE KIDS**

Sutherland, N.

971.06 WHE

Information/activities on the early days. Black and white illustrations.

**WHEN I WAS LITTLE LIKE YOU**

Walsh, J.

F WAL

Picture book for pre-primary and lower primary. A little girl and her grandmother talk about how the grandmother had fun when she was a girl and how things were just a little different then. An attractive book with simple text and soft crayon-wash illustrations.

**WRECKED! : MYSTERIES AND DISASTERS AT SEA**

Bassett, J.

910.45 BAS

Shipwrecks, mutiny, survival and heroic rescues fill this book of real-life disasters on the coasts of Australia. The short stories are enhanced by complementary anecdotes and by interesting sketches, maps and a few colour photographs. Middle/upper primary.
