

**SPEAKING & LISTENING**

**THINKING VOICES: DEVELOPING ORAL COMMUNICATION SKILLS**

Abott, Colleen

808.507 ABB

A practical teacher resource book for middle years of schooling, focusing on speaking and listening outcomes for English. The book is divided into four units, 'Tuning In', which develops individual and small-group skills; 'Tell Me a Story, explores narrative frameworks and strategies for engaging the audience, 'So What's New", develops performance and presentation skills, and 'Let Me Change Your Mind', explores ways of developing and contesting points of view.

**MEDIA LAB: A MEDIA STUDIES PROGRAM FOR JUNIOR AND LOWER PRIMARY TEACHERS**

Sayers, Mary

302.23-SAY

A curriculum resource for junior and lower primary teachers, based on the Media Lab R-7 , a user friendly, upgraded version designed to provide teachers with the methodologies, content, resources and information required to develop a media studies program and use the frameworks of key learning areas.
